EUROTELESITES AG – NOTES FOR THE SHORT FISCAL YEAR 1.4. – 31.12.2023

1| Accounting principles

1|1 General principles

The financial statements have been prepared in accordance with the provisions of the Austrian UGB, taking into account the generally accepted accounting principles of Austria and the general principle of providing a true and fair view of the net assets, financial position, and result of operations of the Company.

The financial statements were prepared by adhering to the principle of completeness. The reporting date is December 31. The principles of individual measurement and going concern were complied with in measuring assets and liabilities.

The principle of prudence was observed in that only profits realized as of the reporting date were recognized. All identifiable risks and impending losses were taken into account.

The statement of profit or loss was prepared in accordance with the total cost format. The amounts presented in the notes to the financial statements are shown in thousands of euros (TEUR). The use of automated calculation systems may give rise to rounding differences.

1|2 Foundation of the company

On September 22, 2023, Telekom Austria Aktiengesellschaft spun off its radio tower business (“Tower Business”), retroactively as of April 1, 2023, on a proportionate basis and listed it on the Vienna Stock Exchange under the newly founded EuroTeleSites AG.

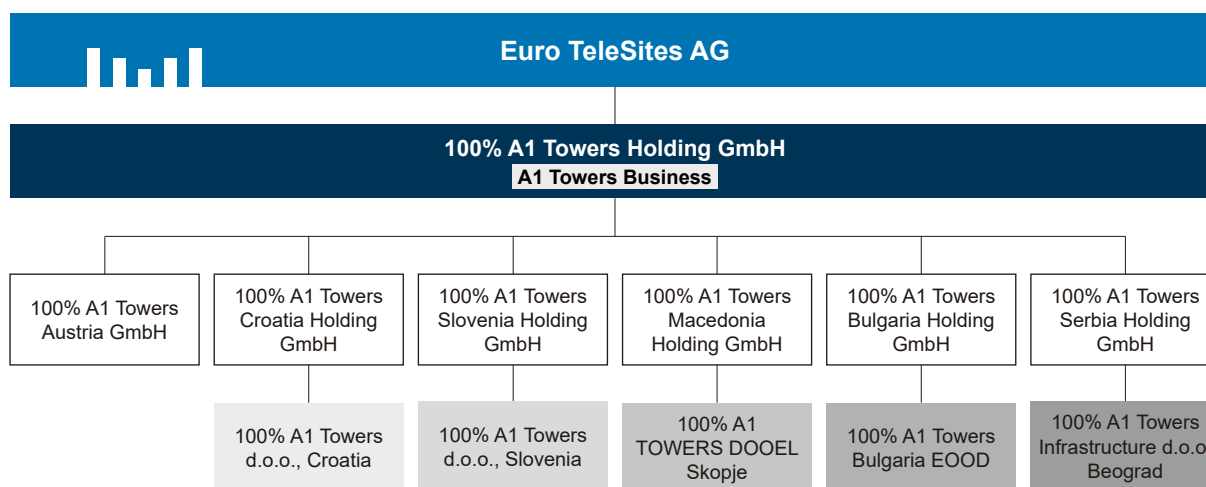

In preparation for the spin-off, parts of the passive infrastructure of the mobile communications sites of the operating companies (“A1 companies”) were transferred into separate legal entities (“tower companies”) in Bulgaria, Croatia, North Macedonia, Serbia, and Slovenia in previous years. This passive infrastructure of the sites includes components that are not directly attributable to the mobile communications network, such as the foundations and metal structures, containers, air conditioning units, power supply and other supporting systems. In Bulgaria and Croatia, the corresponding sites, and the provision for related asset retirement obligations, as well as the right of use assets and the lease liabilities, were already transferred to the tower companies in 2021. In Slovenia, Serbia and North Macedonia, the transfer was effected in 2022. With the transfer of the passive infrastructure (sites) lease agreements (Master Lease Agreements – “MLAs”) were concluded between the A1 companies and the tower companies.

In Austria, in 2021 a business unit (“Austrian tower business unit”) was established in A1 Telekom Austria Aktiengesellschaft, which comprised the assets and liabilities and related expenses of the tower business. The Austrian tower business was transferred from A1 Telekom Austria Aktiengesellschaft to Telekom Austria Aktiengesellschaft, by the demerger and takeover agreement dated June 12, 2023, by way of a spin-off for absorption (Section 17 of the Austrian Demerger Act (Spaltungsgesetz)), taking advantage of the benefits under Article VI of the Austrian Reorganization Tax Act (UmgrStG) without granting shares in accordance with Section 1 (2) 2 of the Austrian Demerger Act (Spaltungsgesetz) with retroactive effect from December 31, 2022. This transaction was registered in the Company Register on July 4, 2023, and the MLA came into force.

The two other transfers described below were approved by the shareholders of Telekom Austria Aktiengesellschaft at the Extraordinary General Meeting on August 1, 2023:

- Downstream spin-off of the Austrian tower business unit, the indirect shareholdings in the tower companies and a debt in the amount of TEUR 1,031,000 (plus the related interest liabilities), as well a cash-pooling receivable in the amount of TEUR 27.500 from Telekom Austria Aktiengesellschaft into the subsidiary A1 Towers Holding GmbH.
- Transfer of the shareholdings in A1 Towers Holding GmbH by Telekom Austria Aktiengesellschaft to EuroTeleSites AG by means of a side-stream spin-off by formation of EuroTeleSites AG retroactive with March 31, 2023.

The following Organization Chart represents the transferred companies, as well as the current ownership structure within EuroTeleSites Group:

1|3 Fiscal year

The fiscal year of EuroTeleSites AG ends on December 31 of the respective reporting period. The reported fiscal year covers the period from the spin-off of the company on April 1, 2023, to the balance sheet date of December 31, 2023. It represents the company’s first fiscal year, therefore, there is no comparison with the previous year’s figures in the Statement of Profit and Loss. The figures from the opening balance of the company form the comparative values for the figures in the Statement of Financial Positions; in the notes these are referred to as “previous year”.

1|4 Long-term assets

Investments in affiliated companies are measured at acquisition cost respectively loans receivable at their nominal value. Impairment losses are recognized if the fair value at the reporting date is lower than the carrying amount of the asset and only if the impairment is expected to be permanent. Impairment losses are reversed if the reason for the impairment no longer exists.

1|5 Current assets

Receivables are measured at their nominal value unless the lower realizable net value is recognized in the event of identifiable individual risks. Specific valuation allowances are recognized to account for risks of default. Where necessary, the later maturity of receivables is taken into account by discounting the values to the net present value of the receivables.

Receivables denominated in foreign currencies are measured at the euro reference rate of the European Central Bank at the date of recognition or at the lower rate of the euro reference rate of the European Central Bank at the reporting date.

1|6 Provisions

Other provisions are recognized at the estimated amount of the obligation and take into account identifiable risks as well as uncertain amounts of liabilities incurred.

No non-current provisions for taxes are included in the current fiscal year.

1|7 Liabilities

Liabilities are recognized at the settlement amount taking into account the principle of prudence. Foreign currency liabilities are measured at the rate of the Euro reference rate of the European Central Bank at the date of recognition or at the higher rate of the Euro reference rate of the European Central Bank at the reporting date.

2| Notes to the Statement of Financial Position

2|1 Long-term assets

The investment in A1 Towers Holding GmbH, Vienna, has been transferred to EuroTeleSites AG in the side-stream spin-off from Telekom Austria Aktiengesellschaft. Subsequent findings changed the opening balance value of the investment from TEUR 818,594 thousand to TEUR 820,489. There have been no impairment losses recognized, hence, the reported acquisition value also corresponds to the carrying amount.

A1 Towers Holding GmbH reports a preliminary net loss for 2023 of TEUR 51,173. The company's preliminary equity amounts to TEUR 780,969 as of December 31, 2023.

2|2 Receivables

Receivables due from related parties comprise receivables related to ETS-fee (charging of centrally provided support services) amounting to TEUR 1,348 (previous year: TEUR 0)

Other accounts receivable in the amount of TEUR 6 (previous year: TEUR 0) relate to receivables from fiscal authorities and the city of Vienna that were not due on December 31, 2023.

All receivables have a remaining term of less than one year.

2|3 Prepaid expenses

Prepaid expenses of TEUR 87 (previous year: TEUR 0) comprise only short-term prepayments, including a prepayment for insurance of TEUR 74 (previous year: TEUR 0).

2|4 Share capital

The EuroTeleSites AG's share capital amounts to TEUR 166,125 and is divided into 166,125,000 bearer shares. The shares have no par value. On December 31, 2023, and September 22, 2023, América Móvil indirectly holds a stake of 56.96% and 56.55%, respectively, through its 100% subsidiary América Móvil B.V., Netherlands, while OeBAG holds a stake of 28.42%. The remaining shares are free float.

2|5 Additional paid-in capital

The appropriated additional paid-in capital originates entirely from the transfer of the shares in A1 Towers Holding GmbH from Telekom Austria Aktiengesellschaft to EuroTeleSites AG in the side-stream spin-off to form the new company.

The opening value of the additional paid-in capital changed by TEUR 1,895 due to subsequent findings. Instead of the originally reported TEUR 652,469, the opening balance was adjusted to TEUR 654,364 (versus investments in affiliated companies).

To cover the current financial year's net loss of TEUR 2,292 appropriated paid-in capital was released in the same amount, leaving an amount of TEUR 652,071 additional paid-in capital as of December 31, 2023.

2|6 Appropriation of earnings

In 2023 appropriated paid-in capital was released to offset the net loss of TEUR 2,292.

The capital management of EuroTeleSites Group focuses primarily on maintaining and improving the capital basis. This shall continue to be documented by solid investment grade ratings from renowned rating agencies. To do so EuroTeleSites Group plans not to pay dividends for the next few years, as agreed between the major shareholders upon the decision to spin-off the EuroTeleSites from the A1 Group.

The unappropriated retained earnings of EuroTeleSites AG according to Austrian GAAP would not be subject to a dividend limitation as the restrictions of Section 235 UGB do not apply.

2|7 Provisions

Other provisions include provisions for:

in TEUR	December 31, 2023	April 1, 2023
Personnel	130	0
Supervisory board compensation	125	0
Audit fees	65	0
	320	0

2|8 Liabilities

Liabilities include trade payables in the amount of TEUR 65 (previous year: TEUR 0) and provisions for outstanding invoices in the amount of TEUR 15 (previous year: TEUR 0).

Liabilities to affiliated companies include liabilities from the recharging of services amounting to TEUR 2,669 (previous year: TEUR 0) and liabilities from financing in the amount of TEUR 659 (previous year: TEUR 0), which relate to the cash pooling agreement. The relevant agreement was concluded with A1 Towers Holding GmbH and aims to balance and optimize short term liquidity within the Group. Interest is charged on a quarterly basis.

Other liabilities include liabilities to social security in the amount of TEUR 5 (previous year: TEUR 0).

Liabilities do not include any liabilities with a remaining term of more than one year.

2|9 Contingent liabilities

EuroTeleSites AG gave an unconditional and irrevocable guarantee in connection with the bond issued by A1 Towers Holding GmbH in an amount of TEUR 500,000.

Furthermore, EuroTeleSites AG is liable for the long-term bank loan of A1 Towers Holding GmbH amounting to TEUR 500,000 as well.

Additionally, EuroTeleSites guarantees for the revolving credit facility of A1 Towers Holding GmbH in the amount of TEUR 75,000.

3| Notes to the Statement of Profit or Loss

3|1 Revenues

Revenues in the amount of TEUR 1,348 exclusively relate to service revenues from affiliated companies. These revenues were generated by the ETS-fee.

3|2 Purchased services

Expenses for purchased services in the amount of TEUR 1,505 exclusively relate to recharging with related and affiliated companies.

3|3 Personnel expenses and employees

In the fiscal year 2023 only the two directors were employed by EuroTeleSites AG.

Base salary (incl. remuneration in kind)	206
Variable yearly remuneration (Short Term Incentive - "STI")	115
Remuneration Management Board	321
Remuneration Supervisory Board	125

4| Other information

4|1 Tax group

EuroTeleSites AG is the head of the tax group established in accordance with Section 9 of the Austrian Corporate Tax Act (KStG). The head of the tax group and its member (A1 Towers Holding GmbH) have agreed on tax compensation. Positive taxable results are subject to a tax rate of 23%. Negative taxable results are not reimbursed but netted with future positive results of the tax group members. Deferred tax assets and liabilities for the members of the tax group (currently one Austrian subsidiary) are reported on a net basis since the tax group is treated as one taxable entity. As the formation of a tax group is tied to the acceptance by the tax authorities, the existence of the tax group is currently pending. This has no impact on the consolidated income taxes recorded.

4|2 Other explanations

The company is part of the group held by América Móvil, S.A.B. de C.V., Mexico City („América Móvil“), and is a related party to its subsidiaries. It is fully consolidated in América Móvil's consolidated financial statements, which are the largest group of companies for which group financial statements are prepared. América Móvil Group is listed on the Mexican Stock Exchange and on the New York Stock Exchange. Consolidated financial statements of América Móvil are filed with the SEC (U.S. Securities and Exchange Commission) in Washington, D.C.

The company prepares the consolidated financial statements for the smallest group of companies (EuroTeleSites Group). The consolidated financial statements of EuroTeleSites AG are filed with the commercial register of the Commercial Court in Vienna under FN 611727z.

The main economic relationships with affiliated companies are with Telekom Austria Aktiengesellschaft (personnel services) and to A1 Towers Holding GmbH and its subsidiaries due to the reciprocal invoicing of personnel services and the Group charges.

The company is a large corporation in accordance with Section 221 UGB

4|3 Subsequent events

No significant events occurred after the balance sheet date that have an impact on the balance sheet or the income statement.

TRANSLATION**AUDITOR'S REPORT *)****Report on the Financial Statements****Audit Opinion**

We have audited the financial statements of

EuroTeleSites AG, Vienna,

These financial statements comprise the balance sheet as of December 31, 2023, the income statement for the short fiscal year then ended and the notes.

Based on our audit the accompanying financial statements were prepared in accordance with the legal regulations and present fairly, in all material respects, the assets and the financial position of the Company as of December 31, 2023 and its financial performance for the year then ended in accordance with Austrian Generally Accepted Accounting Principles and other legal or regulatory requirements.

Basis for Opinion

We conducted our audit in accordance with the regulation (EU) no. 537/2014 (in the following "EU regulation") and in accordance with Austrian Standards on Auditing. Those standards require that we comply with International Standards on Auditing (ISA). Our responsibilities under those regulations and standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Austrian General Accepted Accounting Principles and professional requirements and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained until the date of this auditor's report is sufficient and appropriate to provide a basis for our opinion by this date.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the fiscal year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

TRANSLATION**Other Information**

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements, the management report and the auditor's report thereon. The annual report is estimated to be provided to us after the date of the auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information, as soon as it is available, and, in doing so, to consider whether - based on our knowledge obtained in the audit - the other information is materially inconsistent with the financial statements or otherwise appears to be materially misstated.

Responsibilities of Management and of the Audit Committee for the Financial Statements

Management is responsible for the preparation of the financial statements in accordance with Austrian Generally Accepted Accounting Principles and other legal or regulatory requirements, for them to present a true and fair view of the assets, the financial position and the financial performance of the Company and for such internal controls as management determines are necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Audit Committee is responsible for overseeing the Company's financial reporting process.

EuroTeleSites AG, Vienna

December 31, 2023

TRANSLATION**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the EU regulation and in accordance with Austrian Standards on Auditing, which require the application of ISA, always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the EU regulation and in accordance with Austrian Standards on Auditing, which require the application of ISA, we exercise professional judgment and maintain professional scepticism throughout the audit.

We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

EuroTeleSites AG, Vienna

December 31, 2023

TRANSLATION

- conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Audit Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Audit Committee with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Audit Committee, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
